Why FlowerCare ?

Distance or sheer busyness can cause us not to visit our loved one's grave or memorial, but, now, Forget Me Not does this for you.

We refresh it with seasonal Flowers, once, or twice, a year, or four times seasonally, emailing you a photo so you can check all is well, or request maintenance.

What does FlowerCare Cost ?

We keep costs modest - a single annual visit is £55, twice a year is £95; four seasonal visits is only £155, with an optional monthly payment scheme.
